Replying to @cutlerscott

StockX authenticators have reviewed more than 35 million products and we continue to invest in new technologies to use alongside human inspection and refine our policies to best serve the customer. This standard of excellence has not changed, and won't change, in any way. Ever.

Your customer services also called me a liar because i received something damaged and apparently that is my fault even tho Fedex marked it on the tracking docket. You refuse to do anything about it.

You can also learn your COO shield I don't care  
Because you've lost people all over the world who used to be your users  
Think about why that happened why did you lose your credit
